# Let's Learn English

## Term Based Course

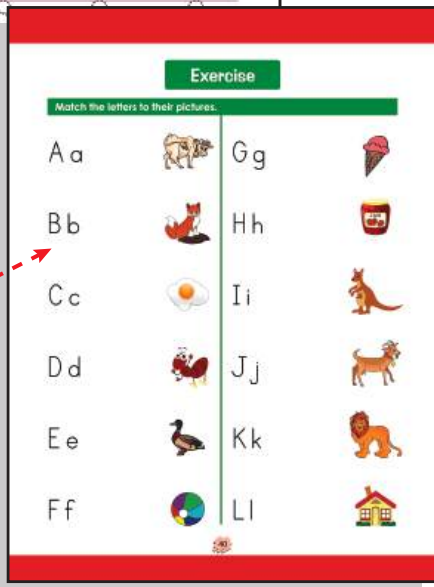

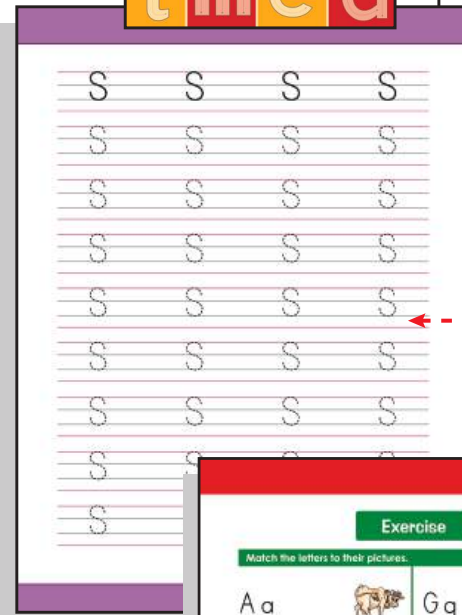

Let's Learn English is a term based course. It is a rousing alphabets recognition series with flashy pictures. It is composed of interesting activities for a lively approach to writing. Proper tracing, appropriate formation and association of the alphabets with their respective pictures are all included in this captivating series.

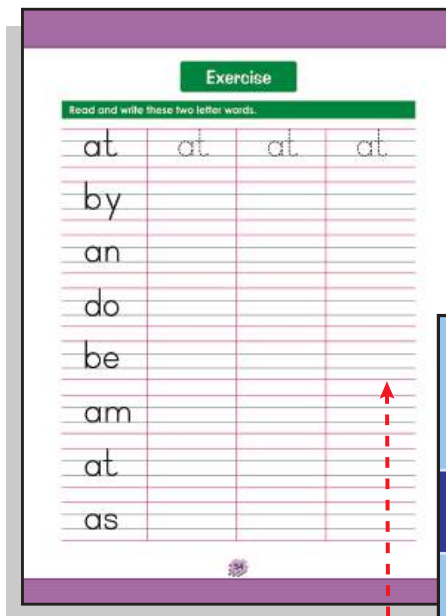

Illustrations based on letters will act as a memory aid for students.

Reinforcement of skills are accomplished through revision and practice.

Meaningful practice pages, helpful margins and intriguing images.

Developed to utilize the child's natural curiosity and thirst of learning.

Allow kids to work on their own and take ownership of their handwriting.
