

Let's Learn

MATHEMATICS

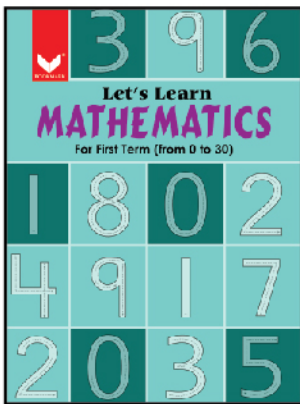

*An active learning program for
developing number concepts*

Let's Learn Mathematics

Term Based Course

Let's Learn Mathematics is a highly productive pair for two terms. It's simple and conceptual inspiring images will definitely give a firm grasp to counting and fine motor skills. This term based course is tailored to enable pupils at pre-primary level to progressively enhance their knowledge in Mathematics. Numerous practice and interesting exercises will effectively cater to sustain children's attention.

Basic concepts are demonstrated with colourful pictures to grasp and sustain children's attention.

Exercise

Circle the bigger pencil. Circle the smaller chick.

Draw a bigger ball. Draw a smaller balloon.

Simple tracing with catchy images.

Trace the number and colour it.

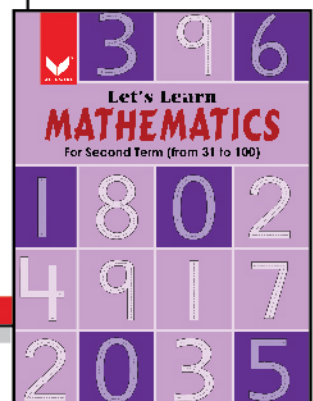

Exercise

Circle the correct number of ice creams.

9 6 3 2 5 3

4 7 2 8 9 6

Number recognition and quick mental maths is reinforced through interesting exercises to energize their potentials.

Steady exercises will backup and support their recognition and writing practice.
