Rainbow – English

Pre-Primary Year 1 – Year 3

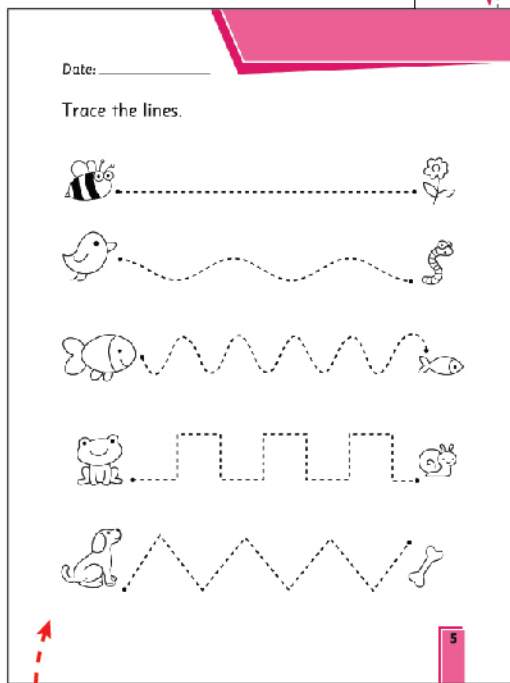

This Rainbow educational series is a great way for kids to learn English and Urdu alphabets, words, numbers, and counting and develop fine motor skills through tracing. The main objective of these books is to help children learn the correct formation of letters and numbers. The uniqueness of this series can be gauged from the fact that children learn writing as well as singular, plural, masculine and feminine, antonyms, names of fruits and vegetables, names of colours and days of the week, as well as many more words of daily use. Pages based on engaging activities and frequent revision exercises will help to bring out children’s capabilities to their fullest.
