Classroom **HANDWRITING**

Revised Edition

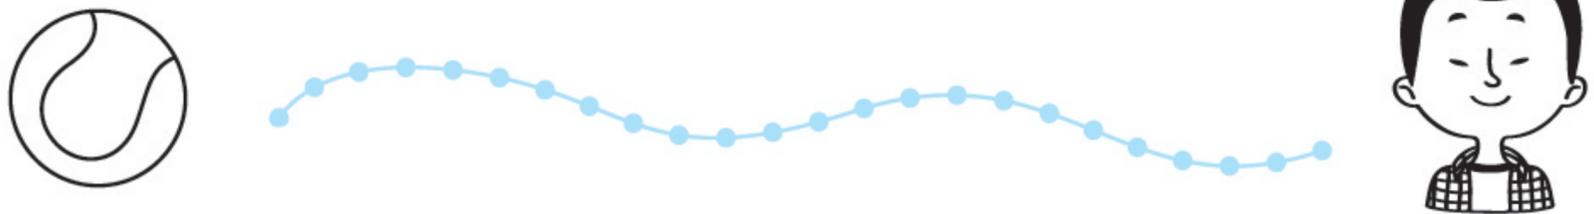

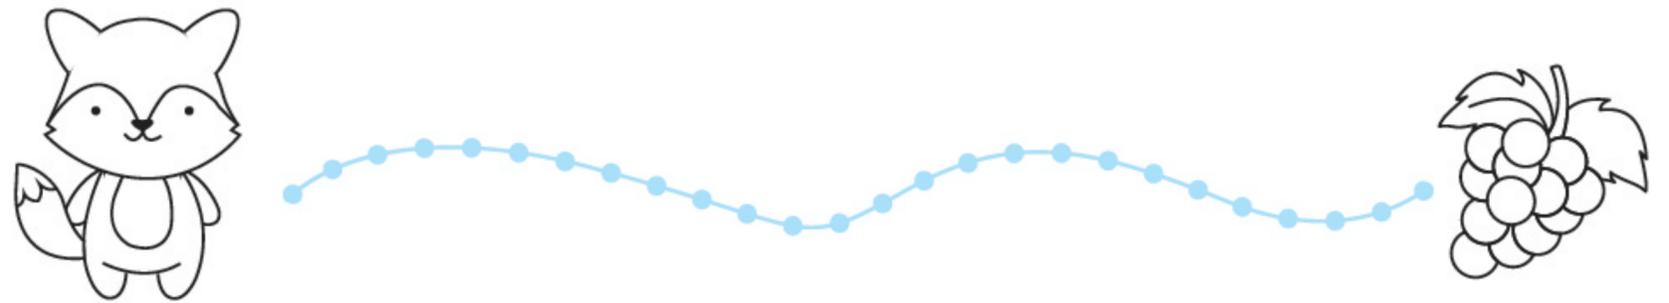

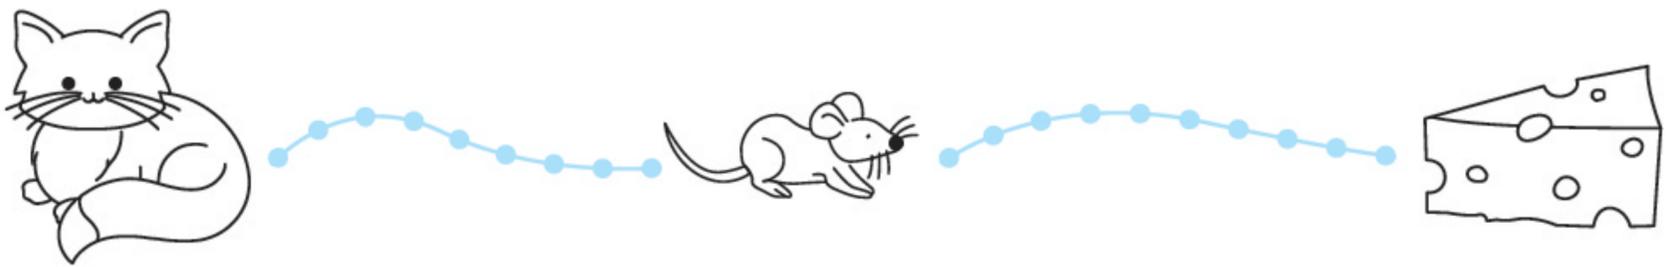

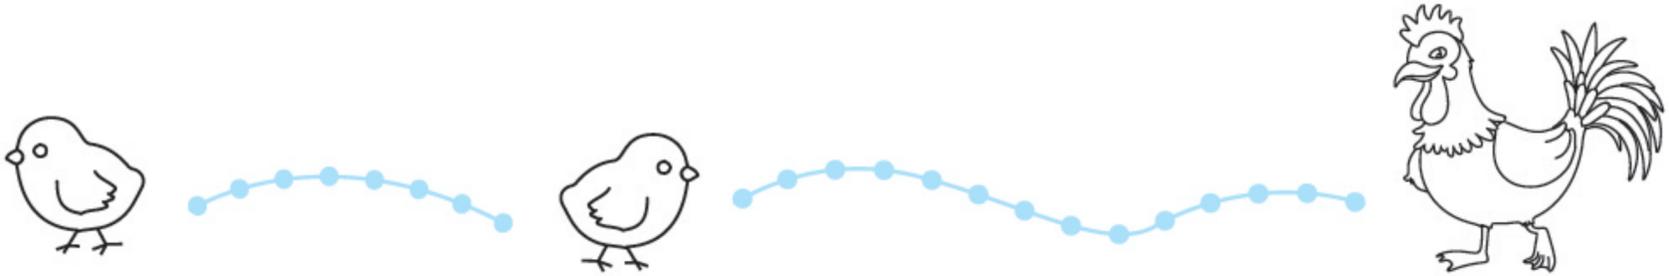

Shabana Rashid

1

Pencil Control

Connect the dots and colour the pictures.

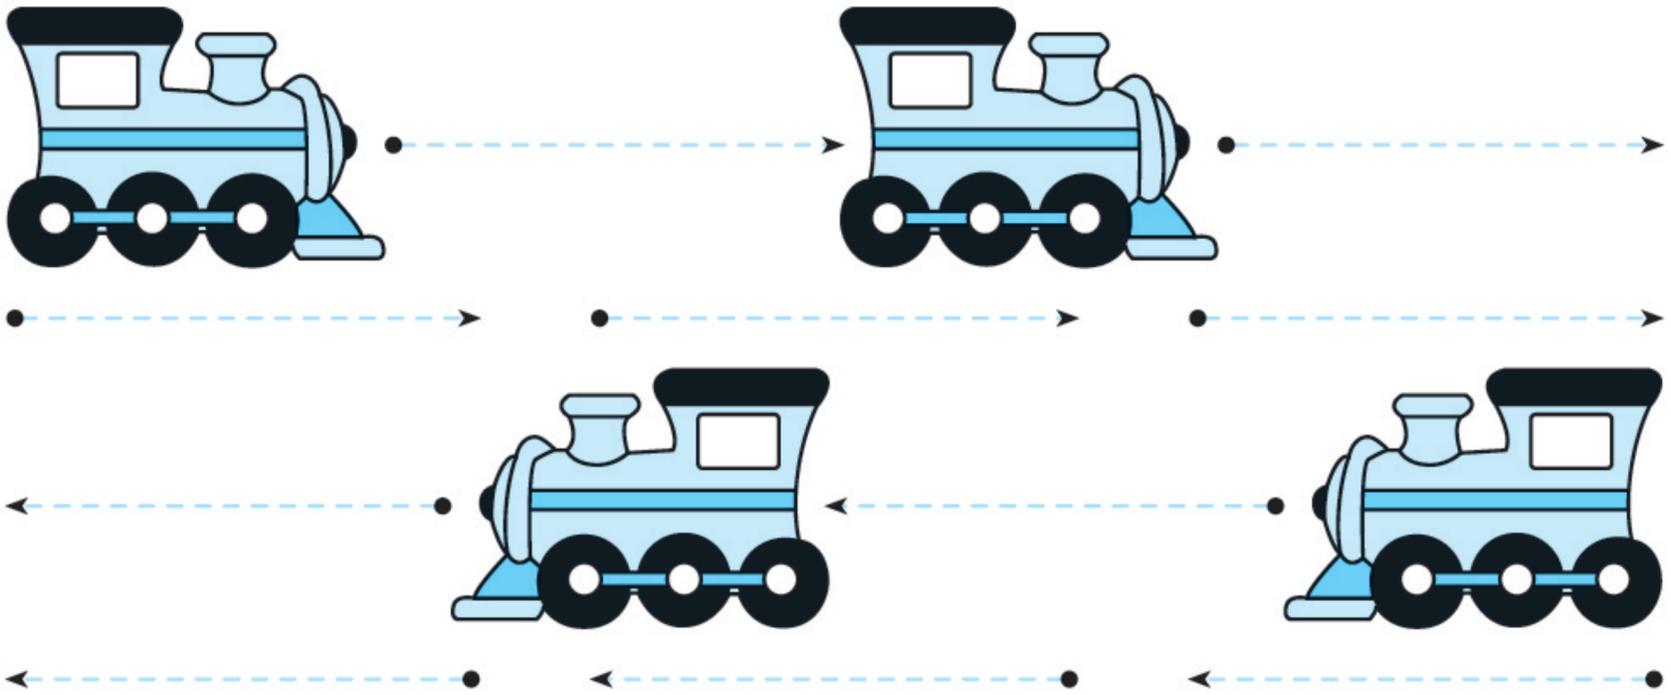

Aim: To teach the children how to properly hold a pencil and begin drawing lines.
Instructions: Guide the students to connect the dots with a pencil.

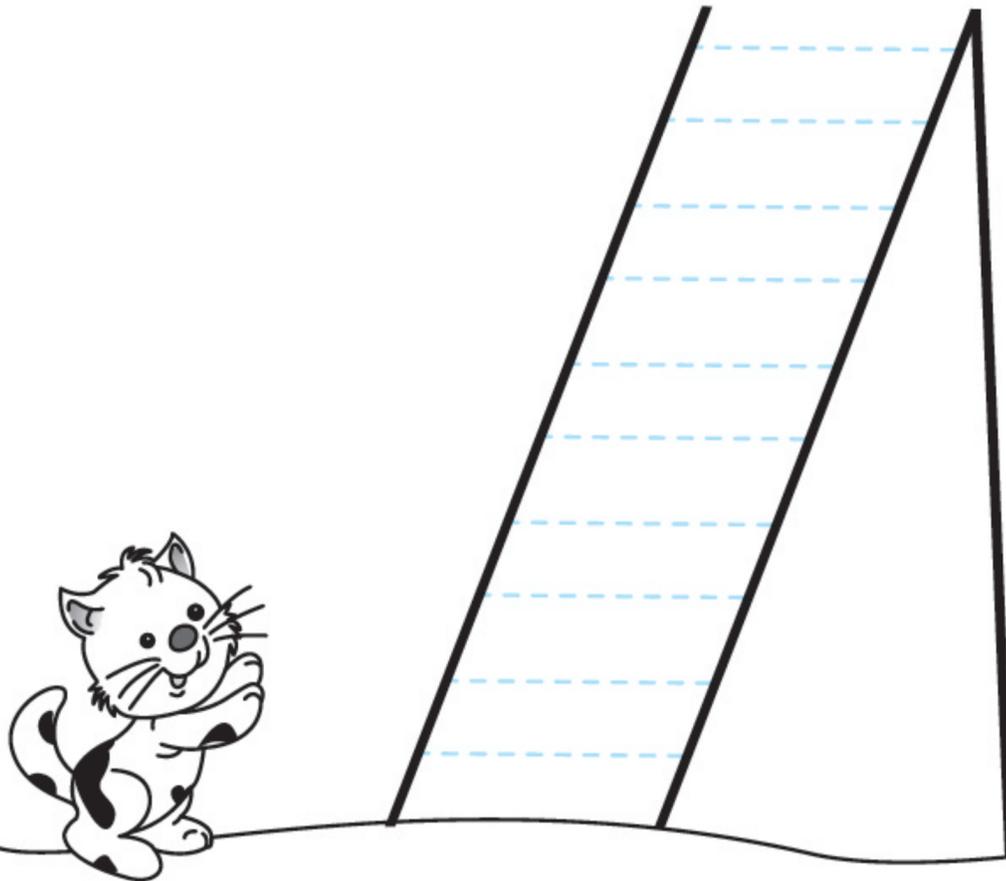

2

Horizontal Lines

Help the choo-choo train reach one station from another.

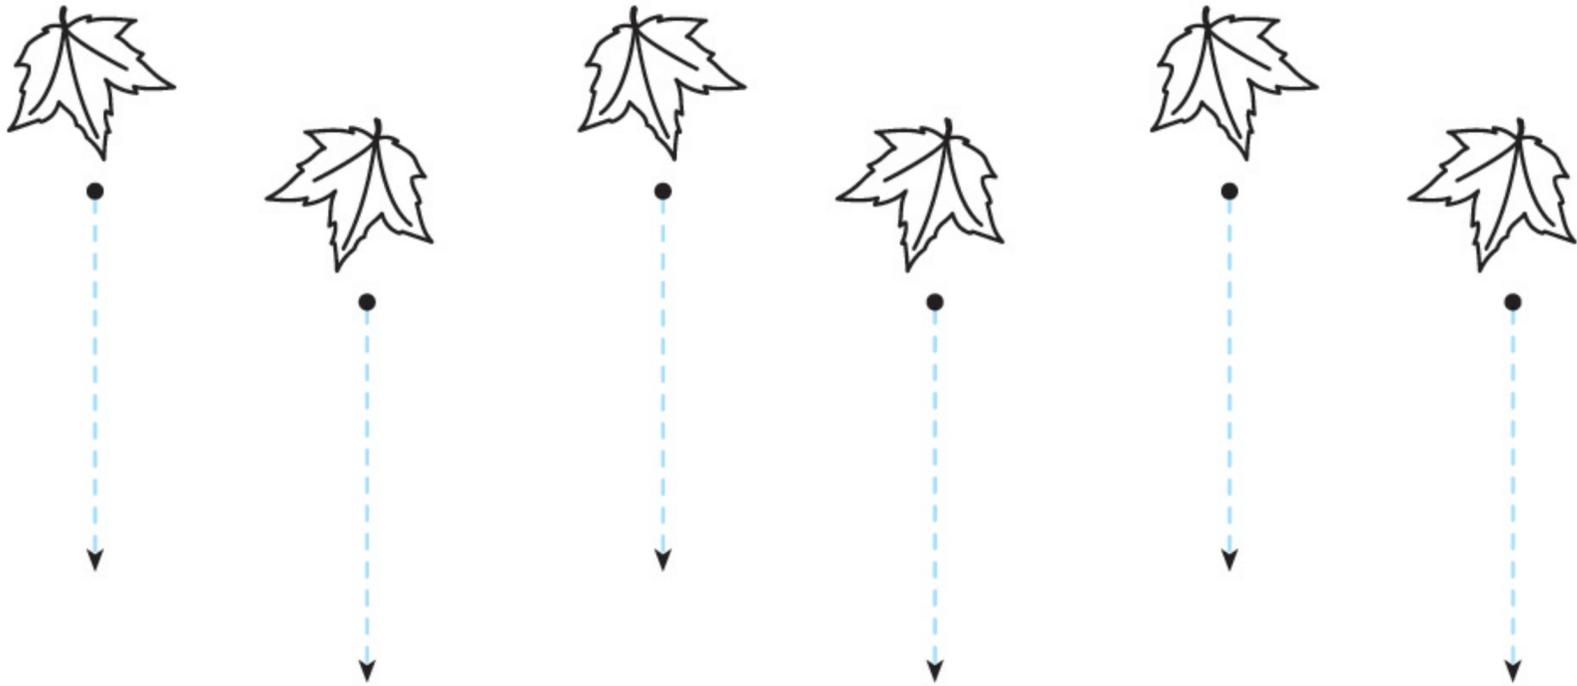

Trace the horizontal lines to help the cat climb the ladder.

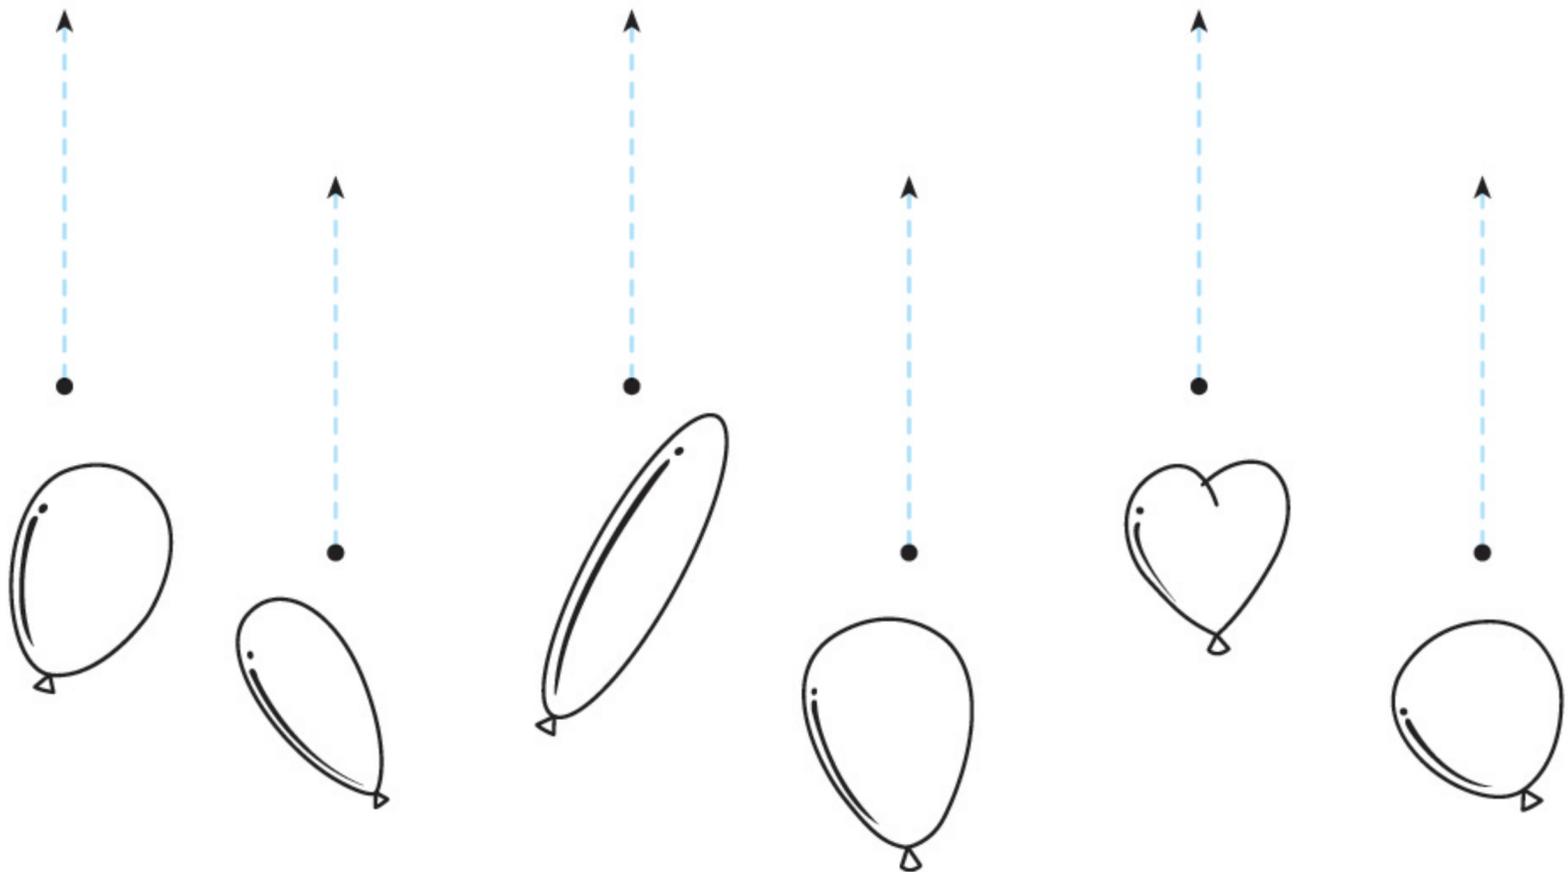

3

Vertical Lines

Trace the lines of the falling leaves from top to bottom.

Help the balloons rise from bottom to the top by tracing the lines.

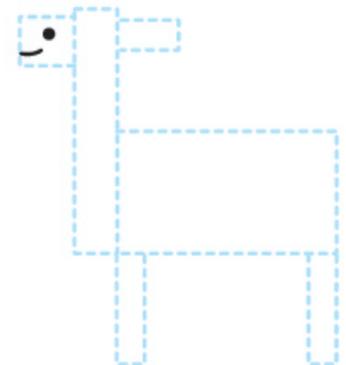

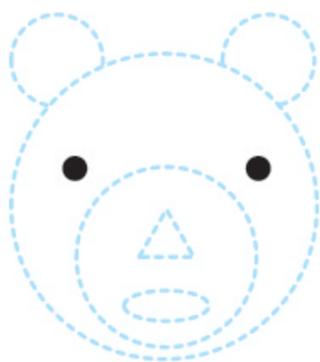

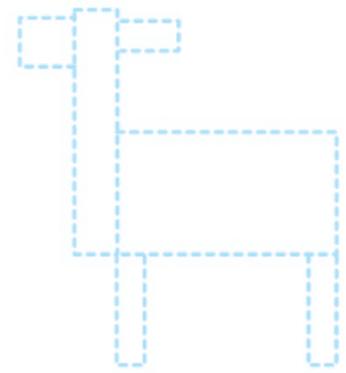

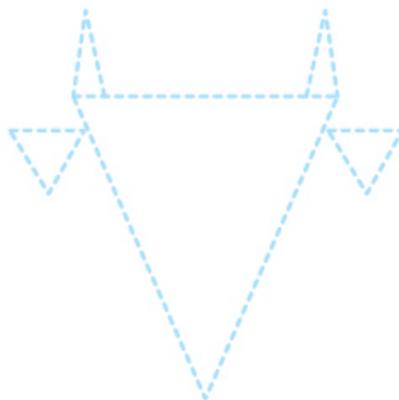

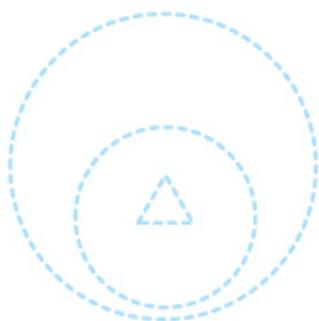

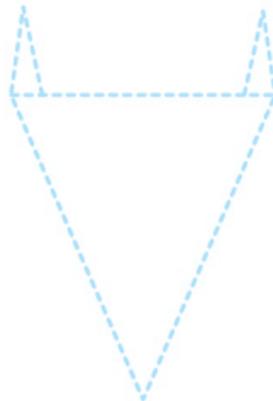

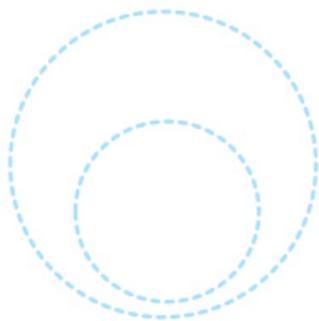

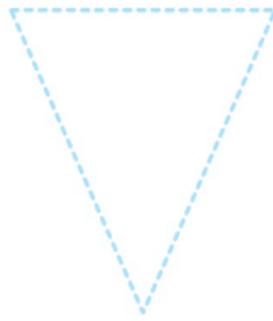

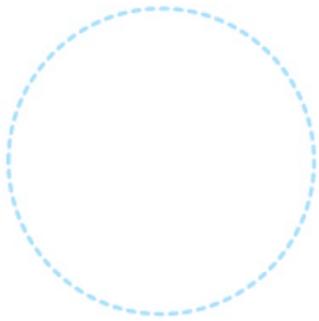

Aim: To make the children understand the formation of **vertical lines**.
Instructions: Ask the students to trace the lines as directed.

11

Fun with Shapes

Trace all the shapes given below and colour them.

Aim: To introduce the concept of geometrical shapes with the help of horizontal, vertical and curved lines.

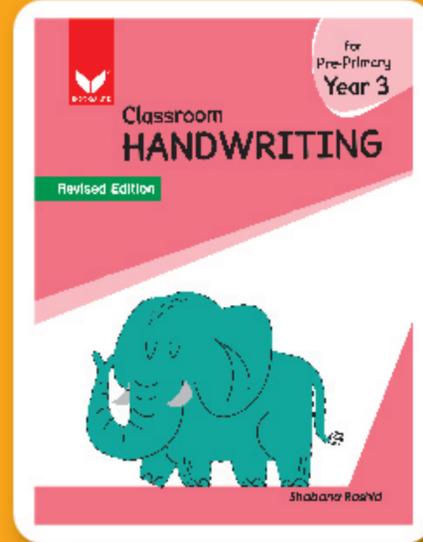

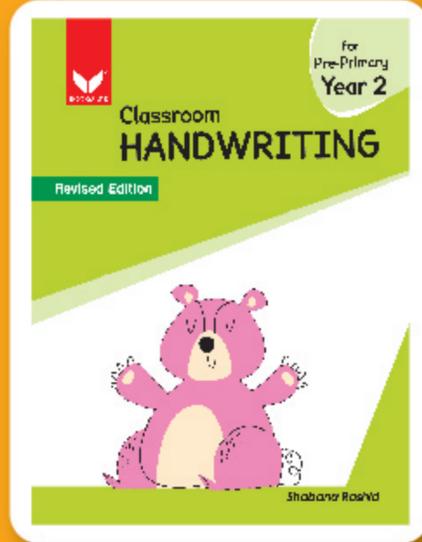

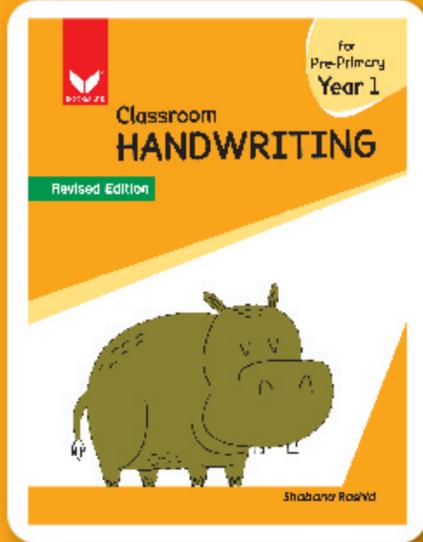

Instructions: Ask the students to complete all the shapes step by step.
Also tell them how simple lines can form a shape.

CLASSROOM HANDWRITING is specially designed for pre-primary pupils. Thematically arranged and carefully designed activities aim to build and reinforce the skills and concepts necessary for children to integrate into their formal education at school.

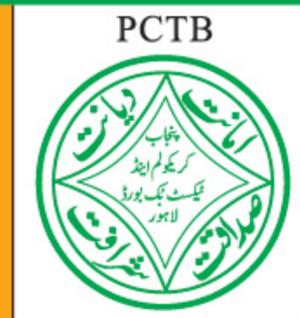

This series will effectively prepare the pupils for the challenges they may face in the early years of their educational journey.

These three pre-primary books will provide practice in the following areas:

- Basic Writing Skills
- Fine Motor Skills
- Creative Thinking
- Analysis
