My First Picture Book

Asifa Sohail

Preface

Rich and extensive vocabulary is one of the greatest gifts you can give to a child. We talk to them and introduce them to the world, identifying everything they see, touch, and do.

To support this need, we have designed a simple and easy-to-use book. Countless efforts have been put to make this project come to light. It is a small attempt to familiarise children with English language and increase their motivation to learn new words. Alphabets perfectly paired with lively illustrations engage children with clever celebration of words and their meanings.

About the Book

A good word book is a great source of knowledge and an active tool to promote child's sovereignty and independence. **Pearls of English** is that perfect picturesque book of alphabets and vocabulary for the preschoolers.

It brings lower-case letters to life by introducing each letter with the names of things, animals, and accessories from our daily lives. It also provides a wide range of colourful illustrations that emphasis on the beginning sound of each word. Difficult words are elaborated in the

'Dictionary' column for clear understanding.
