As an author, she started her carrier in 2018 and developed several textbooks on different subjects from pre-primary to secondary levels for renowned institutions and publisher.

She is a long-life learner and explorer of all possible learning.

About the Book

A good word book is a great source of knowledge and an active tool to promote child's sovereignty and independence. **Pearls of English** is that perfect picturesque book of alphabets and vocabulary for the preschoolers.

It brings lower-case letters to life by introducing each letter with the names of things, animals, and accessories from our daily lives. It also provides a wide range of colourful illustrations that emphasis on the beginning sound of each word. Difficult words are elaborated in the **'Dictionary'** column for clear understanding.
